## COMMENCEMENT OF MANAGING DIRECTOR

Wiluna Mining Corporation Limited (“**Wiluna**”, “**WMC**” or the “**Company**”) is pleased to confirm that Mr Victor Rajasooriar has today commenced in the role of Managing Director.

Mr Rajasooriar’s appointment marks an important step in Wiluna’s transition following the completion of the Company’s administration process and positions the Company to advance its next phase of growth, including the Company’s planned IPO and re-listing on the ASX later in the year. He brings extensive operational, technical and leadership experience across complex underground and open-pit operations, with a strong track record of delivering project optimisation, operational turnaround and disciplined growth strategies.

Mr Rajasooriar will lead Wiluna’s focus on existing tailings and tolling operations, advancing development initiatives and delivering a clear pathway to increased production and value creation for shareholders.

**Chairman Martin Alciaturi commented:**

*“Victor’s commencement represents a key milestone for Wiluna as we move forward with increasing momentum. His deep operational experience and leadership capability are well aligned with the Company’s strategy to methodically unlock the full potential of the Wiluna Gold Operation.”*

*“The Board looks forward to working closely with Mr Rajasooriar as the Company progresses its strategic and operational objectives.”*

Further details regarding Mr Rajasooriar’s appointment are set out in Wiluna’s announcement dated 23 March 2026.
