RESPONSE TO MEDIA SPECULATION ABOUT IPO

Wiluna Mining Corporation Limited (“**Wiluna**”, “**WMC**” or the “**Company**”) refers to recent media articles about the Company’s proposed initial public offering (“**IPO**”) and re-listing on the ASX.

As previously announced by Wiluna, it has been pursuing an IPO plan aiming for an admission date in Q3 2026. The Company has been undertaking preparation work for the IPO, including the drafting of a prospectus for the issue of new Wiluna shares under the IPO. However, Wiluna shareholders and investors should be aware that a final decision in relation to the IPO, or any details of the IPO, have not been finalised or approved by the Board. Should the Board make a final decision to undertake the IPO and lodge a prospectus with ASIC and ASX, Wiluna shareholders and investors should refer to the lodged prospectus for information relevant to the IPO, including how investors may participate in the IPO.

Wiluna urges shareholders and investors not to rely on media speculation when making any investment decisions in relation to Wiluna shares.

Forward Looking Statements

This announcement includes certain statements that may be deemed ‘forward looking statements’. All statements that refer to any future production, Resources or Reserves, exploration results and events that Wiluna Mining Corporation Ltd expects to occur are forward looking statements. Although the Company believes that the expectations in those forward-looking statements are based upon reasonable assumptions, such statements are not a guarantee of future performance and actual results or developments may differ materially from the outcomes. This may be due to a number of factors, including market prices, exploration and exploitation success, and the continued availability of capital and financing, as well as general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance, and actual results or performance may differ materially from those projected in the forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise.
